Briefing for Health and Safety Training

Health and Safety Training entails the training of staff in areas of reducing the risks on site with risk assessments and procedures for safe practices within the work area.

Health and Safety Training covers:

- **Health and Safety legislation**
- **Duty to care**
- **Regulations on risks**
- **Risk Assessments**
- **Spillage procedures**
- **What do you do?**
- **Breakages and sharps**
- **COSHH**
- **Electricity**
- **Legionella**
- **Reporting Accidents**
- **Recap**

In addition to the training above, we will provide a certificate to all candidates that attend

We normally would have a group of 10 plus people. Training normally lasts 2 hours
