

Briefing for Fire Awareness Training

Fire Awareness Training entails the training of staff in areas of reducing the risks of fire hazards on site and what to do in the event of fire within the work area.

Fire Awareness Training covers:

- **A common sense approach to fire safety**
- **New fire safety legislation**
- **Fire risk assessments**
- **General duties of employees**
- **Human Behaviour**
- **Main causes of fire in the workplace**
- **Evacuation procedures**
- **What is fire? the fire triangle and classes of fire**
- **Extinguisher, smoke & fire safety equipment**
- **Benefits of a closed door**
- **Actions on discovering a fire**
- **What not to do. Recap.**
- **How to operate a fire extinguisher**

In addition to the training above, we will provide a certificate to all candidates that attend

We normally would have a group of 10. Training normally lasts 1 hours
