Briefing for Fire Warden Training

Fire Warden Training entails the detailed training of managerial staff in areas of reducing the risks of fire hazards on site and what to do in the event of fire within the work area.

Fire Warden Training covers:

- **Roles and Responsibilities**
- **New fire safety legislation**
- **Hazards and Risks**
- **Fire risk assessments**
- **Specific duties of managers**
- **Log Book**
- **Main causes of fire in the workplace**
- **Evacuation procedures**
- **Daily Routine and Fire prevention**
- **Extinguisher, smoke & fire safety equipment**
- **Actions on discovering a fire**
- **What not to do. Recap.**

In addition to the training above, we will provide a certificate to all candidates that attend

We normally would have a group of 5 plus people. Training normally lasts 2 hours
