

Not completed a Fire Risk Assessment - Are you just hoping you wont get caught out!

You are invited to contact Leo for a free consultation

Yes,
you risk the lives of staff and customers,
you risk losing your business or worse,
you could end up in prison.

Contact Benmore, the local award winning health and safety specialists;

Leo Larkin

Why?

Fire awareness training and written policies and procedures are mandatory under the changes in the Fire Safety Legislation in Northern Ireland.

98%

of all businesses NEVER recover from a fire, ask yourself is it worth the RISK?
